# Achievers

What have you done today to make you feel proud?

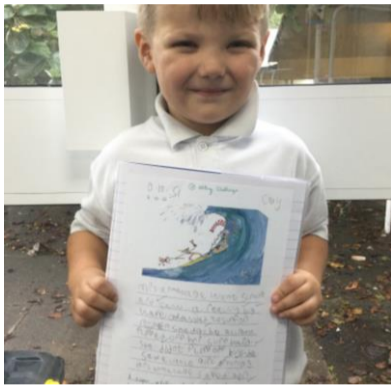

Week ending 8<sup>th</sup> October 2021

## Portwrinkle

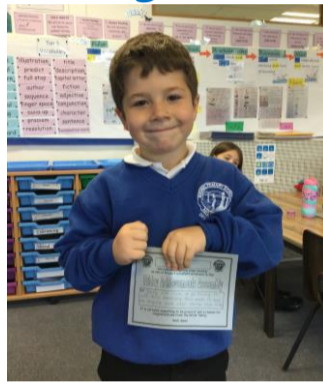

In Portwrinkle class our learning journey is to learn to write your name by yourself. F has been working really hard to try to do this.

## Polzeath

C has been such a keen writer this week! He's written a wonderful new Mrs. Armitage story and even found time to complete an extra writing challenge. Well done for using such amazing vocabulary!

## Kingsand

For being like Have a go Harry in all of his learning this week. He has also kept on trying even when things were a bit tricky, just like Keep Trying Kirsten.

## Mousehole

For her fantastic maths assessment result. G has applied everything she has learnt in our place value unit. Not only this, but G tries hard in everything that she does and is a delight!

## Whitsand

For his amazing independent work in English this week, separating fact from opinion. He even completed the challenge that I gave him; his attitude and effort has been superb!

## Constantine

R has settled so well into year 4, she always does her very best, has received her pen license and her books are a delight.

## Finnygook

The whole class are nominated this week! We have been enjoying reading our class book 'The Boy at the Back of the Class', which is about a boy from Afghanistan. We then studied the poem 'Refugees' by Brian Bilston and it really resonated with us. We were so angry at the poet at first but by the end we had goosebumps! Please check out our blog to watch our version of the poem.

## Looe

For always putting in 100% and producing some excellent work. Her recently finished non-chronological report is beautifully presented and includes features such as expanded noun phrases, technical vocabulary and relevant subheadings. Well done L, keep up the fantastic work!

## Pendower

For her amazing efforts in 99 Club. She started on 77 club, and having achieved this, she rapidly moved through 88 Club and is now on 99 Club. Thank you H for your Pendowerful work.

## Seaton

For being enthusiastic in science lessons and making me laugh during the science workshop with his reaction to the taste test. He is a joy to have in the class.
