# Achievers

What have you done today to make you feel proud?

Week ending 11<sup>th</sup> March 2022

## Portwrinkle

K is our achiever this week. Mrs James says he is a fantastic storyteller and knows all of the rules in her NELI sessions.

## Polzeath

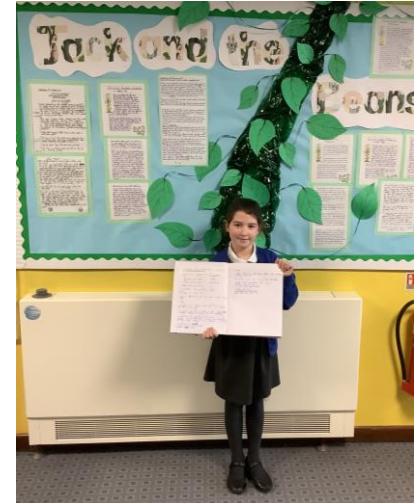

Barney has been super determined this week with ALL his learning. He has been a real 'Have a go Harry'- Well done!

## Kingsand

D has been working really hard recently in English and Maths and has been a great 'Keep on trying Kirsten'.

## Mousehole

For her Izzy Ideas when writing her Haiku poems. J used a range of ambitious and descriptive vocabulary to build imagery.

## Whitsand

For being a 'Have a Go Harry' and demonstrating a flair for drawing and illustration; his Ancient Greek minotaur was superb!

## Constantine

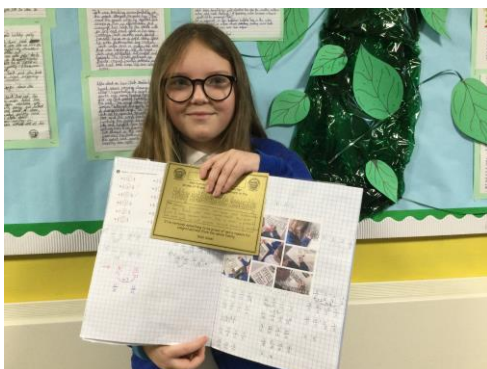

Z is a star; he gets on with his work and often entertains us with amazing facts and knowledge. He is a perfect example of a 'Find Out Freddie'.

## Finnygook

T was really keen during our first cricket session and 'threw' himself into becoming a cricket coach too!

## Looe

For showing perseverance, resilience, and determination in her maths work over recent weeks. M gives 100% in every learning session, but in maths she never gives up, listens carefully and presents her workings and learning beautifully, well done M.

## Pendower

For always being a 'Keep Tying Kirsten' and a 'Tommy Teamwork' in maths. This is evident in both in his work and progress and in the maths problems that his team are able to solve. Well done O, please keep this up.

## Seaton

For improving her reading stamina and increasing the amount of reading she does at home. E has taken herself out of her comfort zone to try different books suggested. She is quickly filling up her book trail...keep it up!
