For being an absolute star! There isn't a day that goes by without N making us smile here in Looe Class. She is keen to answer questions, play with her friends and continues to teach us Japanese. N is a marvellous mathematician and works hard in every learning session, we love having you in Looe Class N, thank you.

For being Tommy Teamwork during PE. He worked really hard at returning accurate tennis shots, but most importantly, he gave his partner useful feedback and helped them to improve.

For her incredible art work. She is not scared to experiment and take risks with new techniques. Her sketchbook is filled with fantastic drawings, annotations and vocabulary.
