What have you done today to make you feel proud?

Week ending 16th September 2022

Brunel's School Council

School councillors have the very important job of representing the views of their peers when staff and governors are making decisions that affect us all.

In the past, Brunel councillor duties have included such actions as taking part in staff interviews, deciding which playground equipment to buy and altering lunchtime procedures as well as leading fundraising events on behalf of the school or charities such as Children in Need.

Anyone who wanted to be a councillor followed in the footsteps of all politicians and created a manifesto setting out why they would make a good councillor and what you would do if elected. They were then chosen by means of a secret ballot.

Each class has both a school councillor and a vice councillor. Congratulations to you all.

K has been chosen to be Downderry's School Councillor this week with N as our deputy. Nearly everyone in Downderry wanted the opportunity to be a school councillor so the vote was extremely close!
