

Achievers

What have you done today to make you feel proud?

Week ending 25th November 2022

Portwrinkle

Downderry

Kingsand

L is Portwrinkle's achiever this week. She has been a real 'Have a go Harry' during Read Write Inc, using Fred talk out loud to make the words during magnetic board time. Well done L!

F is our Downderry's achiever this week. He has worked so hard during our maths lessons and has mastered writing number sentences with the correct number formation! Well done F!

B is Kingsand's achiever of the week. He is a model pupil. He is always kind to his friends, and he always tries his best during lessons.

Mousehole

Whitsand

Talland

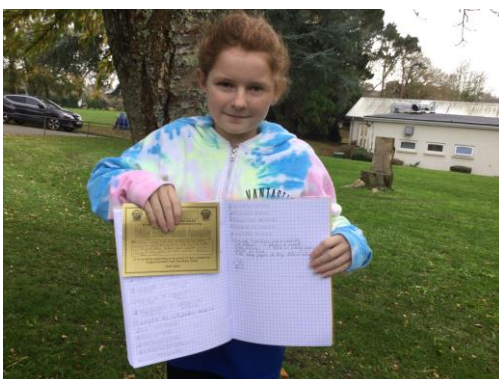

K has been working really hard across the curriculum. We are so pleased with his enthusiasm, smiles and focus in lessons. Furthermore, he ALWAYS reads at home and as a result he is really enjoying his reading.

A is our Achiever this week because of her fantastic progress in maths. She joins in with lessons really well and is able to complete reasoning questions and problems on her own. She's also becoming a whizz at her times tables!

C has produced some super work in Art and Design. She is a great example of an 'Izzy Ideas' and has a real flair for being creative. Well done!

Looe

Pendower

Seaton

For always working hard and producing her very best every day in every learning session. From music to maths, from French to History, R shows enthusiasm and an eagerness to learn whatever the subject. Well done, Ravenna, what a star you are!

When Pendower needed someone to 'step up' L was the one who volunteered. She worked with a group and her selfless actions helped her team and the whole class achieve its goal. A real Tommy Teamwork. Thank you.

For being a fantastic role model to others. She works hard, puts effort into her work and takes pride in the presentation. S has produced some wonderful English work based on A Christmas Carol using adventurous vocabulary.
