

Achievers

What have you done today to make you feel proud?

Week ending 10th February 2023

Portwrinkle

J is this week's achiever as he has been a real 'Have a go Harry' in RWI. His group have begun to write simple sentences and J then chose to write sentences all by himself during 'Choose your own learning time.' Well done!

Downderry

Downderry's achiever this week is the whole class! I am so impressed with their attitude to learning and they have all been fantastic to teach.

Mrs Cooper would also like to nominate Miss Cruddace. She has worked so hard during her time at Brunel and we will miss her. Thank you and good luck Miss Cruddace

Kingsand

L is Kingsand's achiever this week. He shone during our P.E. Dance lesson, showing us his choreography skills. He is our very own Billy Elliot!

Mousehole

Within our reciprocal reading sessions S always enthusiastically asks and answers questions about the text. She challenges her group well and keeps them on their toes. She is a real 'Find Out Freddie' and really inspires her group.

Whitsand

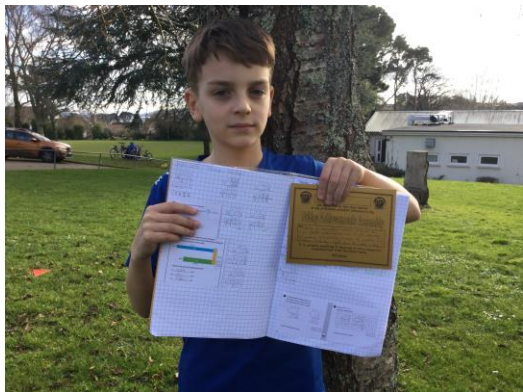

L has been rocketing in his maths, really being like Change It Charlie to make his work neat and tidy. He got 100% in his latest progress quiz and is working really hard in all lessons. L is a joy to have in class, always polite and kind to others, too.

Talland

I has been a fantastic example of 'Have a Go Harry' recently. She worked superbly with her partner to design and produce a fantastical extra terrestrial creature from Uranus. She showed great determination and resilience.

Looe

For being a marvellous maths magician who is constantly challenging himself in his maths learning. E has begun to see the importance of recording his workings carefully and is able to use his maths knowledge to answer multi step problems. Well done E!

Pendower

For being a real 'Tommy Teamwork'. L helped one of her classmates enjoy the Year 6 trip to see 'Into the Woods' at Saltash Comp. Being a good friend in this small way, creates a snowball effect that impacts all those around. 'Choose kind'.

Seaton

For great sportsmanship during PE lessons. He always looks out for others and is a fantastic team player. In class, he is helpful to the other children and adults and will often go out of his way to be 'kind' to others. We are so happy to have him in our class.
