

Achievers

What have you done today to make you feel proud?

Week ending 21st April 2023

<p>Portwrinkle</p>  <p>PIC-COLLAGE</p> <p>This week's achievers are the pebble children, H, M, L, E, F and P who we have welcomed from Izzy's nursery. They have settled in so well, they have embraced the routines and learning within Portwrinkle class and have loved making new friends.</p>	<p>Downderry</p>  <p>For having a great attitude to his learning. N has independently written a list of items that he would like to pack in his suitcase on a trip to Hawaii. It's amazing seeing him proudly sharing his work at the end of each lesson. Well done!</p>	<p>Kingsand</p>  <p>A has worked hard this week at being a 'Keep trying Kirsten!' She has shown great resilience when completing tasks that she can sometimes feel anxious about. Her hard work has really helped her achieve this week. Well done, we are so proud of you!</p>
<p>Mousehole</p>  <p>F has settled so well into Brunel. She has made lots of friends and sensibly asks if she is unsure of something. We are so pleased to have her in our class, it is like she has always been here!</p>	<p>Whitsand</p>  <p>R has proven himself very proficient at the features of a persuasive letter and the class have renamed him, 'Rhetorical Robin'. He applies himself so hard in all his lessons, listens attentively and has worked incredibly hard on his handwriting, too. What a pleasure it is to have him in our class!</p>	<p>Talland</p>  <p>D has settled in beautifully to Talland class. He is a great example of a 'Have a Go Harry' and has already impressed us with his skills in P.E. Well done and welcome to Brunel!</p>
<p>Looe</p>  <p>For being a brilliant Brunel pupil. F gives his all in every learning session and has made some excellent progress, especially in maths where he is quick to see areas in which he can challenge himself even further. Well done F, what a star!</p>	<p>Pendower</p>  <p>L consistently works to a high standard. She always challenges herself to be the best she can be whilst having the resilience to correct errors and adapt her work. L makes time for her classmates and is a fantastic role model to others.</p>	<p>Seaton</p>  <p>For her amazing attitude to learning. She has been working very hard in maths and even asking for extra homework. I am extremely pleased with her progress and its fantastic to see her growing in confidence.</p>
