Week ending 30<sup>th</sup> June 2023

H is our achiever this week because he always tries his best. He listens to instructions, is a great friend to others and has earned lots of team points for being helpful and kind. Well done for being a Teamwork Tiger!

## Kingsand

E is our achiever this week. She has worked incredibly hard on the planning of her new innovated story based on 'Message in a Bottle'. She has chosen her new characters and instruments – I can't wait to read her finished story!

## Mousehole

## Talland

G is Talland's achiever this week for being a superb example of a 'Teamwork Tiger'; she works fantastically in a group, listening to and helping others. She does it with a warm and welcoming smile on her face!

## Looe

J and Z are our super scientists! There is nothing they do not know about the circulatory system! They are in the throes of producing an informative explanation text all about this topic and are doing a brilliant job. Thanks boys for sharing your knowledge and understanding on this topic with me and your classmates. What stars you are!

## Pendower

E is a real asset to Pendower Class and Brunel School. She is hard working, enthusiastic, friendly and enjoys being with her classmates. Congratulations on being our achiever of the week E, it is well deserved.

## Seaton

For their hard work and dedication during the Summer Fayre this week. They organised the stall, created the price list and signs and encouraged people to come and have their nails painted. Great Teamwork Tigers!
