What have you done today to make you feel proud?

Week ending 15<sup>th</sup> September 2023

## Brunel's School Council

School councillors have the very important job of representing the views of their peers when staff and governors are making decisions that affect us all.

In the past, Brunel councillor duties have included such actions as taking part in staff interviews, deciding which playground equipment to buy and altering lunchtime procedures as well as leading fundraising events on behalf of the school or charities such as Children in Need.

Anyone who wanted to be a councillor followed in the footsteps of all politicians and created a manifesto setting out why they would make a good councillor and what you would do if elected. They were then chosen by means of a secret ballot.

Each class has both a school councillor and a vice councillor.

Congratulations to you all.

## Tregantle

Tregantle children were so brave giving a speech for why they should be the class school councillors. The vote was close but our new school councillors are S and L!

## Lantic

V has been voted Lantic's school councillor with H as the deputy. Both shared good reasons why they should be the chosen councillor. We know they will be excellent representatives for our class!

## Mousehole

We chose L as our school councillor and T as our deputy. They both had clear, excellent manifestos and won a close battle. We know they will represent us well!

## Whitsand

We had lots of people put themselves forward for School Council this year and E and V stood out the most. They both made excellent speeches and had clear manifestos. We believe they will represent Whitsand very well.

## Talland

Talland class have voted for their school councillors this week and what an election we had. Half the class wanted to be a school councillor, so the final count was very close. Well done to T-M and G (deputy), we've no doubt you'll do Talland class and Brunel proud!

## Pendower

Pendower are pleased to announce that we have chosen a fantastic school councillor and deputy. With 5 super candidates all giving well planned and delivered speeches, the competition was tough. Congratulations to L and G for thoughtful, sensible manifestos and showing this level of commitment to their classmates.

## Seaton

Seaton class have chosen M as their school council representative and C as their deputy. They inspired the class with their many ideas for improving the school. All candidates presented well and it was a close battle. We look forward to seeing their fantastic ideas.
