

Brunel Primary and Nursery Academy

# Achievers

What have you done today to make you feel proud?

Week ending 22<sup>nd</sup> September 2023

## Tregantle - Reception

Lewis has been a Keep Trying Kangaroo this week in our maths lessons. He has worked so hard to count objects to 10 accurately. Fantastic!

## Tregantle - Year 1

Ethan has been a Teamwork Tiger this week leading the Year 1s in the retelling of the story Mrs Armitage and the Big Wave. He has used a clear, confident story telling voice.

## Lantic

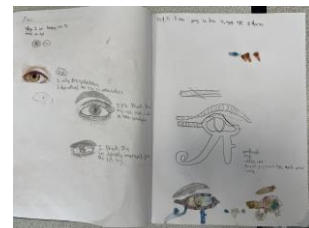

F has had a brilliant week and so is our achiever in Lantic class. He has been a great example of an 'Ideas Iguana', by constantly sharing his ideas in every lesson. Well done, F!

## Mousehole

Both A and M-A are new to Brunel, but you would not believe that as they have settled in so well! They have adapted to Mousehole class so well and have made lots of new friends. It feels like they have always been here!

## Whitsand

R has done some amazing eye studies in his sketchbook over the last couple of weeks. He first drew the human eye and then we thought about the Egyptian hieroglyph for the Eye of Horus. R's work looks great!

## Talland

D has started Year 5 in a phenomenal way! She always tries her absolute best; listening attentively, diligently completing beautiful, accurate work. All with a smile on her face too!

## Pendower

Our achiever this week is J for his positive approach to the start of Y6. He has been a great role model to the younger children because he's always been at the right place at the right time, doing the right thing. He's also been a proper 'Have a go horse', willing to try anything.

## Seaton

For his mature attitude to learning. J has really started to focus on his work and has been putting full effort into all his lessons. He has been behaving sensibly in class and consistently reading at home to help his progress.

## Always Club

Always in the right place, at the right time, doing the right thing.
