

Dear Nursery children,

We are all missing you, and I'm sure that you are missing all of your friends too.

Whilst we are having some holiday time at home, we hope that you are keeping busy and being good!

I have had some beautiful flower pictures uploaded on to Tapestry, and some lovely photo's of what you have been up to at home, or in your garden, so please keep sharing what you are up to.

Over the Easter weekend we hope that the Easter bunny visits you and leaves a treat or two.

If you have spare eggs in the cupboard, maybe you can ask a grownup to boil them so that you can colour or decorate them - then you can have them in a sandwich!

We're looking forward to hearing from you soon.

Love from *Ruth, Judith, Helen and Ileana*
