

Home Learning for Portwrinkle Nursery Children

Read a story every day

1. Welcome to home learning! HOW EXCITING!
2. We will be using a variety of online resources and have sent logins attached.
3. Also, look at your class Choice Board - choose a couple of things to complete each day.
4. If you have ANY questions, remember your teacher is there to help! Send them a message - your parents will be able to help you write an email!
5. If you want to share your learning with us or show us something you've been up to, you can upload it onto Tapestry.
