

## Looe Class Home learning grid - WC 04.05.20

Looe Class Home learning grid - WC 04.05.20						
		Monday	Tuesday	Wednesday	Thursday	Friday
<b>Reading</b> <u>OxfordOwl Login</u> - Username: Looe Password: Brunel		Reading 30 mins	Reading 30 mins	Reading 30 mins	Reading 30 mins	Reading 30 mins
This can be a book of your choice or you could go to Oxford Owl and read some of the e-books. There are comprehension questions too. BBC Bitesize also has comprehension and reading activities to have a go at, as does Twinkl.						
Weekly Spellings: I' before 'e' except after 'c'		Beliefs, believing, pieces, achievable, shrieking, thieves, nieces, priest, siege and relieve. Can you put these words into sentences?				
<b>English</b> Englishhttps://www.bbc.co.uk/bitesize/primary BBC Bitesize (from 27/04/20) Daily online lessons, with a dedicated TV channel, including podcasts and videos on iPlayer. These may also be accessed using the red button on the TV remote control.		To investigate setting descriptions and context	To use prepositions for effect in a setting description	To use alliteration and onomatopoeia in a setting description	Reading lesson: Tell Me No Lies by Malorie Blackman	Bank Holiday!
<b>Maths - Decimals</b> . go to <a href="https://whiterosemaths.com/homelearning/year-5/">https://whiterosemaths.com/homelearning/year-5/</a> Go to Summer Term week 1 (April 20 <sup>th</sup> ). There are videos that help explain what you need to do. They are really good, so hopefully you'll find them helpful.		Adding decimals within 1	Subtracting decimals within 1	Complements to 1 .	Adding 1 and crossing a whole	Bank Holiday!
Remember, if you find the year 5 teaching activities too tricky try the year 4 or year 3 schemes of work on the Whiterose website. If you need further help then please email me or look at BBC Bitesize website or <a href="http://www.mathsisfun.co.uk">www.mathsisfun.co.uk</a> which will help to explain everything.						
<b>VE Day</b> 8 <sup>th</sup> May 1945, now known as VE Day, saw the end of the Second World War. This year marks the 75 <sup>th</sup> anniversary.	<b>Art</b> Design your own VE coin or medal. You could think about the following ideas: the years of the war, the colours of the ally flags or a reference to how the war was fought (land, air and sea).	<b>MFL</b> The phonetic alphabet was used on RAF transmissions during the war. Find out what all the letters represent then learn to spell your name using the code. E.g. b = bravo. Morse code was another method of communication the represents the alphabet and numbers with a series of dots and dashes. Find out what each letter and number is then write a coded message for your teacher to solve. Check the class blog next week as your teacher may have left you a Morse code message to decipher.			<b>Research - IT/History/PSHE</b> Winston Churchill was the Prime Minister in 1945. Research and make a fact file about who Churchill was. Consider why he was important, his personality, his family, his hobbies and his jobs.	
Remember to make time every day for some exercise. If you're feeling brave and fit, do PE with Joe Wicks each day at 9am! Just make sure you get some fresh air each day if you possibly can!						
There is also a range of learning opportunities on BBC Bitesize. Have a look at these lessons online or through your TV.		.	<b>Geography</b> Trade and Economic activity	<b>Science</b> How Plants reproduce	<b>Computing</b> Algorithm and debugging	Bank Holiday!

If you do not have access to the internet, you can still access the learning in the grid above. Each Monday there will be the relevant resources you need ready for you to collect from school. So on Monday 4th May, there will be some English worksheets that support the lessons above should you need them along with some Maths resources too.

Please let us know if you have any problems accessing the learning on the grid above by emailing us or contacting school and we will do our best to help.
