

Think you know Mrs Watson?

While I was training to be a teacher, I worked at Build-a-Bear Workshop and used to be a bear builder. I once dressed as a giant bear and did a tandem bungee ride for charity.

I love the outdoors and camping. I especially enjoy long coastal walks and a picnic with a view.

I love all animals and have 4 pets. I have two cats, Mario and Luigi and 2 dogs, Winston and Dave. I also look after the school chickens.

My favourite foods are chocolate and pizza but I love all food and really enjoy trying new things.

I play Roller Derby (with Mrs McKillop!). Roller derby is a very fierce sport, played on roller skates. It is very fast and very fun too!

I love being active and enjoy lots of outdoor sports. Some of these include stand up paddle boarding, windsurfing, wakeboarding, surfing and snowboarding.

I like sewing my own clothes and accessories on the sewing machine and enjoy lots of other crafts too!
