

Who is Mr Arnold? The man behind the tie!

Why Teaching?

I love teaching and learning. I've worked in 3 schools over the years including Brunel twice, which, is of course, best!

Up for a laugh?

Unfortunately for you all, I love telling jokes, (as my family will tell you). I also love poetry and rhyme, in fact I love to rhyme all the time!!

Family Fun!

My family and I love going to the beach, kayaking up (and down) rivers and taking our dog Pippin on walks up on the Moors and along the coast path.

Favourite food?

This is a tricky one because I love to eat and enjoy lots of different foods. Fortunately for me Mrs Arnold and my daughter are great cooks. I love pasta, fish, and curry, but not all on the same plate.!!

Super Sport!

I love all sports, and used to play a lot of football. I support Tottenham Hotspur (somebody has to)! I used to play table tennis for my county when I was much younger and much fitter!

Out and about!

I enjoy spending time in the garden, and generally being outside as much as possible. We like to go away in our camper van at weekends, discovering new places and visiting some of our favourites.

School days!

When I was at school my favourite subjects were PE, history and geography. I always struggled with Art and DT, not helped by the fact that I'm colour blind!
