

All about... Miss Wood!

I love music and I am trying to get better at playing my piano!

I love travelling and going on holidays— I've been to Malawi and Zambia in Africa, Canada, Malaysia and California in America as well as other places in Europe.

I love baking and Mary Berry is my hero! I like nothing better than baking a delicious cake or rustling up a yummy meal for friends and family.

My favourite food has to be a roast dinner! I especially love roast potatoes!

I am a Christian and go to church each Sunday.

I love being outdoors especially in my garden. I have been growing tomatoes, peas, grapes, cucumbers and courgettes as well as growing lots of beautiful plants and flowers.

I enjoy stand up paddle boarding and I can't wait to explore the coastline and beaches on it this summer!

I love spending time at the beach—we are so lucky where we live in Cornwall, aren't we? My favourites are Polzeath and Harlyn Bay. I also love to visit Bigbury Bay and Mothercombe over in Devon.

I love being creative and I love to paint and I am trying my hand at hand lettering at the moment.
